HOUSE BEAUTIFUL MAGAZINE

New York:-

Dear Mr. Owen:-

The package with the color transparencies and O'Keeffe Material came only last Tuesday. I am very glad to receive them for there are two of the transparencies for which I have a request.

You do not need to apologize for not being able to find something. This is frequently my situation, and I quite understand. Occasionally I get a photographic negative into the wrong envelope which is devastating, and so easy to do when working on several jobs at once. I have often wondered what reaction you had to the O'Keeffe article? I had several fan letters from total strangers to my surprise.

Thanking you for sending all the material, and hoping I may again do something for the magazine, I am

Sincerely yours,
