Dear Mrs. Pundyk:-

Your letter of the 13th has just reached me, and I am enclosing herewith all the material I have at the moment that would in any way fit your request. I could make the missing ones but this would take time.

re your pg no 105. The Navaho do not live in a community, their hogans are scattered far and wide. I enclose one of a Navaho woman airing her shawls outside her hogan.

pg. no. 171. I enclose a kiva in the background with a Pueblo woman in the foreground sorting pinion nuts. Also a Pueblo dance with a Kiva in the background.

An overall shot from an elevation of the Pueblo of San Ildefonso.
A Pueblo Interior

Some of these may not be of any use to you, but I send them as suggestions. I am sorry that the notice is so short. One just doesn't have these things on file.

Very truly yours,
