Mrs. Lydia Van Zandt,
Society of Woman Geographers
1216 Connecticut Ave.,
Washington 6, D.C.

Dear Mrs. Van Zandt:-

Thank you very much for your letter of February 27, which I have been trying to answer for several busy days. I am happy indeed to join this Society. Both Elise Davisson and Suan Weyer have told me much about it. I enclose my dues of \$5. for active membership for members-at-large, and I hope I may be of some service to the Society in the future.

The name of VanZandt seems to ring a bell in my school days memory. I believe there was a girl with that name either at the Baldwin School or at Rosemary Hall, I went to both, way back about 1905-09 or thereabouts. I have looked through the Buletin and find a number of names I know.

Thanking you and the Executive Council for electing me to your membership, I am

Sincerely yours,
