Dear Mitch:-

I forgot to add to my letter about pictures, information from Robert Utley. The first two items you doubtless already have. Utah Historic Soc. Pub. Vol.2 No.3 July 1929 pp 67-90. Wm. J. Snow. Also Vol.3 No. 1. Jan 1930 pp 3-23. Joseph J. Hill. Then he gave me a book title THE OUTLAW TRAIL by Charles Kelly. THE HISTORY OF BUTCH CASSIDY AND HIS WILD BUNCH. 2nd ed. 1959. Pub. unknown. (What a title!) I have someone else here hunting and I hope to get down to see Ina and Chap tomorrow. Excuse double spacing. Have been copying mms for the Navaho Book.

Am beginning to feel a lot better. Have been a mess for six weeks or more but am responding well to medication and hope a few weeks more will see me back to normal. Gout is surely no fun and was hitting me all over, but it can be alleviated medically and by diet. No tea or coffee ( I have always drunk quantities) among other things.

Hastily
