Dear Miss Gilpin,

We are in the process of publishing a work entitled Arts in America, Volume I, on the colonial period. It is written by experts in the field and is under the general editorship of Mr. Wayne Andrews.

For use in this book we should like a glossy photograph suitable for reproduction of the following:

San José, Laguna, New Mexico, the
sanctuary and altar which show murals

We are particularly interested in the precise rendering of architectural detail. If there are any special requirements covering use of this picture, we should appreciate word from you.

We look forward to hearing from you. Thank you very much for your courtesy.

Sincerely yours,

(Miss) Edythe Greissman
