Dear Mrs. ^{ISS} Gilpin:

My wife and I were in Santa Fe last week and phoned you a couple of times and either just plain missed you or you were out of town.

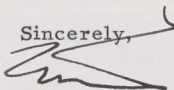

She wants to buy from you an 8 x 10 reproduction of one of the following which are identified by title and by page number of your book Rio Grande, River of Destiny. They are listed in order of preference:

No. 1 Page 190 - Sotol

No. 2 Page 202 - Live Oak

We inquire your price and whether you can fill this order?

Sincerely,

W. D. GRISSO
