Lama,

I was truly sorry not to be able to see
you when you brought the transparencies -
But Buel gave me a full account
of all your "doings" - what a gal
you are to get about as you do -
May your good fortune last for your
future -

About the films - I checked C. Bill
and found 3 duplicates of those I al-
ready had - which number 16 -
you left 13 - (making ^{out} with the)
duplicates, 10 I don't have -

I would like to buy those if possible -
to keep the set complete - what
would your charge be for 10? Do
let me hear -

I assume you have returned to S. C.
from Denver with cozy feel!

Georgia came to see me about
a month ago - She is plucky &
well - we have been friends for 40
years!

With affectionate greetings
R. S. J.
