T405

Dear Lema:

Enclosed is my check for 10 of the
Transparencies - I am returning 3
that are duplicates of those sent me by
Eileen T. of Woman's Day - I
have "upped" the ante to equal
the cost of the 4 x 5's -
Every once in a while, in my reading,
I come across your Papacita
and his domps - so I can easily
understand your worrying about
a horse quite a few years
later! He was a very energetic
gent -

When you come back from
the Navajo country I hope
you will come to T405 -
that this time I shall see
you -

Faithfully yours
Rebecca
