Dear Miss Kilpin:

The booklet "Indians of the Southwest" mentions your books "The Pueblos" and "The Rio Grande" in the reading list. Are these still available and price per book?

Also, included in that same list are others I am interested in:

Friendly People - The Zuni Indians
Let's Explore Indian Villages -

Both by B. P. Hutton and in Paper Back Edition

Ceremonial Customs of the Pueblo Indians
by V. M. Roediger in Paper Back Edition

If you have or can get the foregoing please advise prices and approximate mailing charges

Very truly yours

John H. Nyssen.
