Miss Laura Gilpin
409 Camino del Monte Sol
Santa Fe, New Mexico

Dear Miss Gilpin:

I was up to Santa Fe earlier this month to look over the Ben Wittick albums at the Laboratory of Anthropology, for the purpose of getting photographs to illustrate an article assigned me by Westways magazine of Los Angeles. The subject is the classic lawsuit that involved the painting of San Jose in the Acoma church during the last century, as well as the legend concerning the San Jose in the La Cienega church.

Al Ely was very gracious to help me with the albums. He gave me your address and suggested I get in touch with you about prints of the pictures I selected.

I would like glossy prints, either 8 x 10 or 5 x 7, of the following:

Volume 3 — Number 58 PS
Interior, Acoma church

Volume 2 — Number 133 V
View of Laguna

Volume 4 — Number 52
Dance at Laguna, Inauguration Day, July 12, 1887

About the size of prints, it really doesn't matter—about 8 x 10 or 5 x 7, more or less. If you would process the pictures for me, and mail them to me with your invoice, I would be very grateful.

With kindest regards,

Sincerely yours,

J. L. Sinclair
