September 21, 1964

Dear Miss Gilpin:

I am enclosing herewith four transparencies from the article on Colcha Stitch which appeared in our April 1963 issue.

I returned the other transparencies to you in June 1964 and I am sorry these had apparently been held in our Needlework Department's files and not included with the first group I sent to you. Please excuse us.

Sincerely yours,

Jeanne M. Widmayer
Art Department
