Dear Laura:

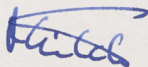

Good to hear from you and the prints arrived last Thursday.

I understand completely about your emotions re Betsy. It is terrible to be unable to assist someone when you see them suffering so consistently. Please give her my fondest greetings and I hope the spring weather will bring some relief from her pains.

The Utah show will open in January of next year so it would be a good time for you to plan to come to Fort Worth. In fact, why don't we try to work it out so that this trip could coincide with some business re the Indian Arts Fund show and we could make it an expense paid item.

Lastly, please keep in touch with Frank Wardlaw. He asked again about your manuscript and the pictures. I know he is interested. Greetings and fond wishes to you all.

Yours,

Mitchell A. Wilder
