Dear Miss Gilpin,

My sister Elizabeth Danison
was so pleased with your
lovely note and message
which I have told her about,
and asked me to convey to
you her great appreciation.

Thank you so much for
your thought of her.

I regret to report she is
critically ill. I am staying
at her apartment and would
appreciate it if you would
direct any inquiries here
tel Yu 8-2054 - and not to the
hospital.

A kind friend is writing
this at my dictation as I
am spending most of my
time at the hospital.

Sincerely

Kate Deer Barney
