Miss Laura Gilpin
Santa Fe, New Mexico

Dear Miss Gilpin:

I am writing to ask you a favor.

Last month when my daughter and I were visiting the Das in San Ildefonso we saw a photograph you had taken of Po and his mother. We thought it the best picture of them we had ever seen and asked Po if he would get one for us. The picture arrived today, but there was no bill enclosed.

I am sure that Po will insist it is a gift, but this will not do since I asked him to get the picture for me. I therefore thought it would be simpler to write you and find out the price so I can simply send him a check. Will you be so kind as to jot down the price on the bottom of this letter and return it to me in the enclosed envelope. The picture itself is 8" x 8" on a mat 11" x 14".

May I add that we have long enjoyed your beautiful work and therefore are doubly pleased to have this picture.

Very sincerely yours,

Agatha K. Campbell
