My dear Miss Gilpin:

The Journalism Class of the Santa Fe High School would like to institute a section in our publication, THE TATLER, for Seniors. This will be comprised of articles which will be of particular interest to those graduating and entering the adult world.

We are contacting prominent men and women who have achieved success in their various careers. We are requesting they write a letter to the students outlining the schooling required, the rewards, the disappointments, etc., and why they entered this field. We believe this may be an incentive to those who wish to follow a similar endeavor.

Would you, therefore, be kind enough to write us a sketch of your rise to success in the field of Photography? Any help you will give us will be greatly appreciated.

Thank you for your cooperation. With all good wishes,

Sincerely,

Elizabeth Ewing
