Dear Miss Gilpin:

We are planning to reprint our color picture book, "Profile of a State" and have decided to add 16 more pages, using color separations of paintings we have on hand from previous printings in New Mexico Magazine.

If you have no objection, we'd like to include in the book, the picture of burlap tapestry "Madonna" which was used in the December 1961 issue. *We have sent a similar request to Star Aella.*

It will be our pleasure to send you a complimentary copy of the book and allow a special rate for any additional copies you might like.

The book will probably be ready for distribution in the fall.

Sincerely,

George Fitzpatrick,
Editor
