Miss Arnold,
WOMAN'S DAY,
New York, N.Y.

Dear Miss Arnold:-

To follow up our telephone conversation of yesterday, I have made arrangements with the Museum to make the photographs of Margaret Owings' Exhibit on Monday when the Museum is closed to visitors. Owing to the placement of several of the pieces, I shall have to take them down in order to light them properly for photographing. I trust that these few days' delay will not inconvenience you. I am assuming that a sharp quick run through of these will suffice for your examination, rather than a careful top quality black & white job for reproduction. When it comes to doing them in color they will have to be taken to the Museum studio.

I am pleased that you are interested in these and I am sure that you will find them to your liking. The design, of course, will carry well, in black & white, and I will indicate on the back of the prints the general color scheme, for these are extraordinarily beautiful in color.

The prints will go off to you as soon as possible

With kind regards,

Sincerely
