Miss Arnold,
WOMAN'S DAY
67 W. 44th St.,
New York 36, N.Y.

Dear Miss Arnold:-

Last week I had a letter already to mail to you following our telephone conversation regarding the Margaret Wentworth Owings Exhibit. Before I had taken the letter to the post office, I had a call from her canceling this undertaking for the following reason. Mr. Owings had been in the east and while in New York made contact with someone else regarding his wife's work. He has an artifice planned to include their house here, near Santa Fe, and wants to tie in the examples of her work this time. Ofcourse I had consulted with Mrs. Owings before I first wrote to Miss Tighe, and she is extremely sorry over this cancelation, so had she known about his plans, she would ofcourse said "no" to me in the first place. I was all set to make these black and whites this morning as the Museum is closed on Mondays which would have given me freedom to work easily. I, too, am extremely sorry and I hope that this will not inconvenience you at all. I can only hope that something else will come along that I think worthy of a good coverage.

With kindest regards and many regrets,

Sincerely yours,
