Dear Sirs:-

Enclosed please find 3 months payment on the enclosed policy. This is the savings policy I took out in the name of my young cousin Kenneth N. Gilpin III. I notice that you addressed the premium notice to him instead of the me. As he does not live at this address, there may be trouble with the post office in delivering this correctly to me. You have my P.O. Box number on my other policies, and I will appreciate it if this one is addressed correctly. We have had much local trouble with mail being put into the wrong box numbers, and then it is a matter as to whether the wrong recipient returns the mail to the post office.

Very truly yours,
