Mr. Clem Clark,  
Wichita, Kansas.

Dear Mr. Clark:-

Thank you so very much for all your trouble in finding out about the Boeing negative file. I am glad that it is still in existence. There are a number of pictures I made at the factory that I should like to include in a future exhibition, but there is no hurry. I have just written to Mr. Wecker. I do not need anything now, but after he has prepared for the anniversary, we can discuss the matter. I expect I should come to Wichita, to select those negatives I should like to use.

I am very glad indeed to know that the file is in tact, and that someday I may have access to it. It was very nice indeed to see you and your wife when you were here. I hope you will let me know when you come again. Many thanks.

With best wishes to you both,

Sincerely yours
