Mr. Alex Crosby,

Dear Mr. Crosby:-

Some weeks ago, you telephoned me me regarding picut-s of the Rio Grande. A lot has happened in my life since I talked to you but I want you to know that I have not forgotten about it. I have checked over my file and find that I have a great deal of materiaa that I have never used. This consists of other angles, or work that had to be eliminated because of space.

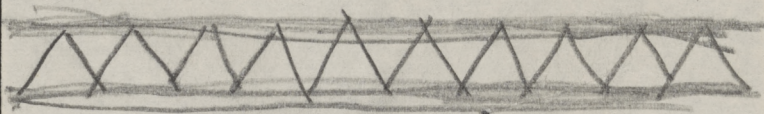

If you are still interested in what I may have, would you send me a tentative list of general locations so that I may make proofs to submit to you.

With best wishes for your success, I am

Very truly yours,
