Gentlemen:-

Will you kindly send me some blanks for the registration of photographs. In the past I have registered a good many, but I believe that the charges have changed and my old blanks may be obsolete. Also I want to ask about registering color transparencies.

In the near future I shall have another book ready for a publisher. One foreign publisher is very interested in this, and I need to know about international copyright and other information regarding having a book produced outside the United States.

Thnaking you for your attention to these requests,  
I am

Very truly yours,

Laura Gilpin
