Dear Laura Gelpin:

My daughter Gay & I
enjoyed immensely our call
on you, with all the interest-
ing things you told us of the
country and the Navajos.

Gay did get to

Canyon de Chelly & profited by the information you gave her.

du Boulder, I had a little reflected glory from William Gilpin. After all, Gilpin do mean a lot to me after a life time with my special Gilpin. It was interesting to see the old familiar names in your

genealogical material & to see the beautiful manuscript that had been started.

I do hope that wonderful Navajo book with its outstanding pictures will reach publication soon and that we shall know about it. I keep my eye
