Miss Laura Gilpin
Santa Fe, New Mexico

Dear Miss Gilpin:

In the confusion of leaving I forgot to discuss the proofs with you. Would you please have Mrs. Hurley select one and ask her how many prints she would like to have for the family and where to send them. Please send me the bill and two prints for our family.

It was wonderful to see you again, and I hope when we next get to Santa Fe to have portraits made of all our kids in their Western regalia.

Yours very truly,

David H. Hughes
