Dear Miss Gilpin:

We are honored that you have accepted our invitation to show at the Corrales Art Association Gallery.

We would appreciate your sending us back ground material and a photograph of yourself that can be used for publicity. This should be forwarded to P.O. Box 51, Sandoval, New Mexico by June first.

For your show, we would like 10 photographs, your choice of subjects and sizes. Black and white and/or colored will be satisfactory, and they should be ready for hanging. We should be in receipt of these photographs no later than June 15th, sent to the same address above. Please mark whether for sale or not.

We would like to say again how very pleased we are that you have decided to show with us.

Sincerely,

Louise M. Laval, Pres.
