Dear Miss Gilpin:

I am writing to you again to inquire about leasing your mineral interest under the S $\frac{1}{2}$ Sec. 23, Twp. 11S, Rge. 32E, Lea County, New Mexico.

On August 5th I wrote to your attorney, Mr. Neil C. Stillinger, answering the questions in his letter of August 4th. If he has any further questions regarding this lease I would appreciate hearing from him.

To date I have received leases from the owners of over 90 percent of this tract of land, but of course I do need 100% before title work can be commenced prior to drilling.

I would appreciate your lease very much, and if either you or your attorney has any further questions regarding the drilling of this acreage please do not hesitate to contact me.

Very truly yours,

Len Mayer
