Dear Miss Gilpin:

Please forgive me for the extremely long time I've taken to send the payment for the excellent work with the Wittick photographs. In spite of a few unavoidable flaws, due to the age of the plates, they are "just right." They are already on the way to England.

The reason for the delay was moving from Rodeo to Columbus— an ordeal, and I hope and pray we will never have to go through it again.

This is a pleasant little border town, the people very friendly.

I enclose check for \$12.36, which you quote with tax.

Thank you so very much for helping me. I hope the Wittick business is not too much trouble for you. There will be more to be done, and I do hope you will help me with them again.

Very sincerely yours,

John L. Sinclair
