Dear Mrs. Gilpin:

Your letter of August 7, 1965 has been given to me by Mr. Ned A. Hatathli in hopes that I could answer some of your questions.

In regard to your question as to the amount of rugs and saddle blankets that are produced each year. There is no real record kept on this, we do not require the traders to keep track of the amount of rugs they sell or buy. They keep this strictly for their own information.

I'm sorry that I can't be of further help to you on this.

If I can be of further help to you, please do not hesitate to call upon me.

Yours very truly,

Bill Speicher, Supervisor
Tribal Trading Department
