

Dear Contributor:

Screening begins the moment your photographs arrive! U.S. Camera's picture plans for its 1966 edition are about to get under way. Therefore, we invite you to submit your most recent work for review and consideration.

As in the past, any number of photographs may be sent in--each bearing the name and address of the photographer clearly printed on the back. Final decision on prints retained is forthcoming during the summer months.

Address all photographs, with return postage, to: Tom Maloney, Editor, U.S. Camera, 9 East 40th Street, New York, N.Y. 10016.

Upon publication, payment will be made to each contributor whose work is included. In addition, the photographer will receive a copy of the book.

Deadline date is May 15, 1965. May we see your selections before then.

Sincerely,

Mary P.R. Thomas
