

Dear Miss Gilpin,

I wanted to tell
you again how
very much Mrs.
Laval and I en-
joyed our visit
with you when
we returned your
photographs.

It was a rare
privilege to be able
to meet and talk

with you. I hope
we may have the
opportunity to do so
again.

We'll be looking
forward to the
publication of
your forthcoming
book. It's already a
must on our list.

Sincerely,
Jo Thomson
