Dear Miss Gilpin,

We were sorry to hear that you were inconvenienced by having to make a trip to Albuquerque last week to bring your photographs. Our President had planned to contact you and to pick up the photographs in Santa Fe. We regret that this was not done in time to save you the trip.

We are delighted with the selection you have brought us and feel confident the show will be a success. Although we would be most pleased to have you present at the opening July 4, 1-5 pm, we realize that this would be a further imposition and may not be possible.

We would like to assure you that the photographs will be returned to you within the week of August 1. Thank you again for your courtesy and co-operation.

Sincerely,

Jo Thomason
Secretary, Corrales Art Assoc.
