Dear Laura:

Delighted to have your note with good words on the first proofs. The second group, with improved inking and screened, was sent off the other day; i.e., black and whites; the color was okay.

For your information the work is being done by Anchor Printing & Lithographing Co., Inc., 820 North Main, Fort Worth, Texas, 76106; telephone number EDison 5-1238 (area code 817); attention Mr. Ernest G. LaCroix.

I wrote a note to Betty the other day asking for an invitation list. I am sure she will be in touch with you, but we will need all the names of friends and foes to whom we must send invitations for the Indian Arts Fund opening on January 8. Also, let me know the names of people that you feel certain will be coming here for this occasion in order that we may make the necessary hotel reservations. You, Betty, and Mr. and Mrs. Meem will be our guests, of course, although I probably will not offer to pay John's transportation! We will expect you and Betty to fly back at our expense, or if you prefer to drive, we will pay you ten cents a mile.

I am very distressed to hear about Ann Clark. This is so tragic, when she seemed at last to be free of other difficult responsibilities and in a position to dig in with her own work. Does this mean that she will have a gradual, long deterioration, or does it hit a certain point and stop? If you see her, give her my best.

Yours,

Mitchell A. Wilder
Director
