

ROSEMARY HALL
GREENWICH, CONNECTICUT

Feb 5 - 1965

Dear Laura,

How fast the years fly by! I have been asked to be our Class Agent this coming year for the Annual Fund giving to Rosemary Hall Foundation, Inc.

Last year over 46% of our class gave. Let's improve '09's record this year. No gift is too large - none too small. We all know that a good education is most important and necessary these days. Rosemary is the place a deserving girl can obtain it.

Affectionately yours,

E.B.W.
