Dear Laura:

Fred S. Bartlett, Director

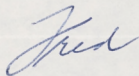

Certainly it was good to hear from you and I am very happy to let you know that the Taylor Museum people were able to put their hands on the negatives of pictographs which you did some years ago in connection with the Agnes Sims exhibition.

We found nine negative envelopes with only one empty. This was #3 entitled "Deer Rock San Cristobal" and in place of the negative I am enclosing a copy of the print. At this point I am unable to account for the missing one.

We would be most happy to have Mr. Owings use these as he sees fit with a credit line reading "Courtesy of the Taylor Museum, Colorado Springs Fine Arts Center".

I am sending you the negatives first class mail under separate cover and wanted to get this letter off to you as soon as possible.

With all good wishes,

Director
