Dear Laura;

How are you and Bess?
Hope fine. For us we all
doing just fine. The weather
was nice and warm and
sunshine yesterday and
this morning when we
got up a big surprise it
snowing so hard and it
still snowing like it
will never stop snowing
the rest of the week.

Well, Laura since I am
not working I like to
make the Navajo costume
you asked me to make
for the Navajo Art. Museum.
Would you please send
more information of what

kind material to use
and fashion of what
year.

I guess this will
be all on till then.

Hello from everyone
from my family and the
folks from Arizona.

Sincerely yours
Maria T. Bea
