BOX 20, RURAL ROUTE 4

QUAKERTOWN, PENNSYLVANIA

15 February 1966

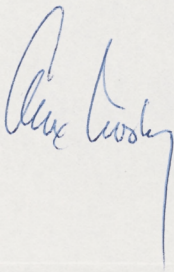

Dear Miss Gilpin,

I've been knocked out for a few days by a wicked cold, or I would have thanked you sooner for the photographs--the most expertly mounted, labeled and packaged collection I ever received.

Work on the dummy has begun. As soon as I am finished, I shall report to you on the number of your photographs used. I think it would be better if you sent your invoice direct to Garrard Publishing Company.

With thanks and very best wishes, I am

Sincerely,

A handwritten signature in blue ink, appearing to read "Alex Crosby", with a long vertical line extending downwards from the end of the signature.
