Laura dear -

Oh dear, dear, me!

A young man just brought
this in and said "This
was in one of the books in
the hall" - a copy of the
Weston Daybooks! I
evidentially sent you
another copy and put this
one out! I am so grateful
he found it and so
terribly sorry about the
mistake! Sincerely,
Ann

I would be happy to
buy it if I can -

Merry Christmas
