Dear Mrs. Gilpin:

The University of Arizona Press is considering publishing a book titled "SOUTHWEST INDIAN CRAFT ARTS" sometime in the fall. The author is Clara Lee Tanner.

The plan is to pick up color separations from Arizona Highways on approximately 26 four color photos. In order to make this project economically possible, it will be necessary to keep all cost at a minimum.

In the proposed list is one of your photos. Please indicate below the consideration under which you will grant reproduction rights to the University of Arizona Press.

1. Credit line _____.
2. \$_____ per subject.
3. Other _____.
