West Nyack, New York.

Dear Mr. Castaldo:-

To confirm our conversation of two days ago, please proceed to deal directly with the Museum of Navaho Ceremonial Art regarding post cards I made for them some years ago. This museum has undergone some recent changes and is under new directorship. So long as I have a credit line for the photograph that is all that will be necessary.

Thank you very much for your phoning me regarding this matter, and hoping that you receive a good order, I am

Sincerely yours,
