Dear Sirs:-

Do you have a 16 x 20 Seal dry mounting press in stock? I forget the number, but I want the one that takes a full 16x20 print. I have two large exhibitions to prepare for for next year, and I shall be needing this as soon as possible. I believe the cost is about \$245. less any discount you can give me as an old customer. I also want the teflon coated tacking iron. Will you please let me know as soon as you can if you can deliver this and the cost, I will send you a check at once.

409 Very truly yours,

Laura Gilpin
