Mr. John F. Peckham,
Meriden Gravure Co.,
Meriden, Connecticut.

Dear Mr. Peckham:-

My apology for being so long in answering your letter regarding the postcard for the Museum of Navaho Ceremonial Art. I havent been very well for a while, and I just put off doing a lot of things I should do.

Certainly you have my permission to make the postcard for the Museum. All I need is the credit line for the photograph.

Very truly yours,
