Mr. Robert Richman:
Washington, D.C.

Dear Mr. Richman:-

I have been a long time in writing you and sending you the enclosed statements. At first I waited to know what you used of my work before I made out the statement for the B.I.A. I have never received a copy of the pamphlet nor have my transparencies been returned. So I make out the bill as you gave me the order here the day you and Jim came over.

The bill for the 5x7 color prints is just what the Laboratory charged me and which I paid some time ago. I am glad to have you use these and so glad that I had them to show you.

The last time I talked to Jim he said that you had been in bed for a week or more. I am so sorry, and I know just what it means. I hope that you are better now and able to be about.

With the best of wishes,

Sincerely yours,

I am enclosing the B.I.A. bill for your O.K.
