Mr. Robert Richman,

Dear Mr. Richman:-

Just before Jim McGrath left for Europe he told me that you had not been at all well again and had gone to Maine for the Summer. I do hope that you are now feeling better. I know only too well what a bad back can mean/

I have never received a check from the B.I.A. for the prints in the catalogue, nor have I received my transparencies back. I am concerned about the latter as the sand painting picture I took out of my slide series and is my only copy.

This brings my best wishes and sincerest hope that you are better,

Cordially
