Mr. Eddie Romero,
Bureau of Revenue,
School Tax Division
Santa Fe, N.M.

Dear Mr. Romero:-

Enclosed please find my check for \$100. for back taxes which I promised you . This should have reached you in July, but collections have been very slow in coming in. One large job which I delivered in July, I expected cash on delivery. I was asked to wait until the following week. This was now three weeks ago. As I have expected this daily, I have held the enclosed hoping to include the August check. As it did not show up in to-day's mail, I send this at once and another hundred will follow as soon as this money comes in.

I am sorry to be late with this, but not only are collections slow, but I am slow in getting work finished up. I think my lameness is some better, so perhaps a few more weeks will see me more active again.

Very truly yours,
