Dear Dr. Weigle,

Thank you so much for your letter.. I am delighted that the books will be of some value in the College library.

I am very pleased that you would like a show of prints for the Student Center which ofcourse, I shall be most happy to prepare. When you are next in Santa Fe perhaps we can talk it over to decide subject matter etc. I have two big shows coming up for next year so I shall be busy preparing for them also.

With best wishes

Sincerely yours,
