Miss Virginia Whipple,
Amon Carter Museum,
Fort Worth, Texas.

Dear Virginia:-

Thank you so very much for sending my tripod case, which I so neglectedly left behind. I am sorry to have bothered you with this.

May I thank you again for all the many thoughtful kindnesses you gave all of us and in particular to me, seeing that my ticket was all in order, and the many things you did not only for my convenience, but also for my comfort.

It was a great pleasure to me to meet all the staff of the museum and to appreciate your wonderful coordinated team work.

The whole trip was a great pleasure and inspiration to me as I am sure it was to all of us of the Indian Arts Fund. I think of the exhibit with the greatest of pleasure and satisfaction for the way in which it was presented.

Again my thanks for your many thoughtful acts in my behalf,

Most sincerely
