Miss Laura Gilpin,
Box 1173,
Santa Fe, New Mexico

Dear Miss Gilpin:

Mrs. Kubicek and myself are just in receipt of the page from the November 27th. issue of the NEW MEXICAN containing the article by John MacGregor on your work in photography and current showing at St. John's University. How we wish that we were in Santa Fe to see this showing!

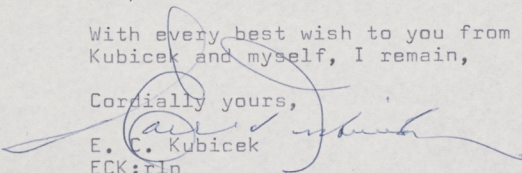

Reading of your forthcoming book, "THE ENDURING NAVAJO," only whets the appetite for being able to review it.

Recalling our conversation this summer about your efforts in not only writing it but also dealing with the university in producing it, I can well believe that you too are looking forward to its being on the market. Please let us know when it's available.

As I told you, I was able to secure copies of two of your books, "THE RIO GRANDE, RIVER OF DESTINY," and, "TEMPLES IN YUCATAN." I'll continue to search for such items as the brochure on Mesa Verde and the other of your works so that, eventually, I'll have the honor of a complete collection of your books.

With every best wish to you from both Mrs. Kubicek and myself, I remain,

Cordially yours,

E. C. Kubicek
