Dear Laura:

It was good of you to uncover such lovely pictures on such short notice. At least two of them will definitely go in the book: the complex pictograph, and the entry way at Chaco Canyon, and perhaps one or two more.

Attached is a check for \$250 which will be followed later with a formal arrangement to further compensate you after we get the book more definitely under way.

As always, it was wonderful to see you.

Cordially yours,

Miss Laura Gilpin
