Dear Miss Gilpin:

Excuse my delay in sending
you the check for the pictures &
the holiday rush, but I do want to
get it off to you. I spent some
time at the framer's and think we
have solved the problem & space
for the wagon with nothing in a
cool, not too contrasting color. Hope you
have had a pleasant holiday.

P.S. Nothing I could have given
my husband would have pleased him more than your photographs.

Sincerely
Hunt Stark
