Dear Miss Gilpin:

It was a real pleasure meeting you last Spring in Santa Fe, and we really appreciated your taking the time to photograph for us the INDIA EAST and INDIA WEST exhibit at the Institute of American Indian Arts.

Jim McGrath informed us that you are getting together a retrospective show of your work which he would like to exhibit at the Institute some time next year. We, too, would like to include it in our 1967 calendar for showing here in Washington in the galleries of the Center for Arts of Indian America. Perhaps we could arrange for the exhibit to come here following its showing at the Institute.

We are beginning to line up shows for next year and would appreciate hearing from you about this at your earliest convenience.

Sincerely yours,

Mrs. Stewart L. Udall
President

P.S. excuse Time Gap, please. I left
the city after this was dictated
